EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with Peter Flanagan (Reg. No. 58,178) on March 16, 2007.
3. The application has been amended as follows:
In the Claims: Claim 42 has been amended.

Claim 42 (Currently Amended) A status apparatus for use in a communication network, comprising: a network hub in a communication network, and a server in communication with the network hub, configured to push status information regarding the network hub to a client without a request for the status information from the client, wherein the status information includes network information, and wherein the network information comprises information about the communication network.

REASONS FOR ALLOWANCE

4. The following is an Examiner's Statement of Reasons for Allowance:

Claims 1-42 are allowable over the prior art of record.

The examiner has found that the prior art of record does not teach or suggest or render obvious a system comprising: a server in communication with a network hub in a communication network, configured to push status information to a client without a request for the status information from the client, wherein the status information includes network information, and wherein the network information comprises information about the communication network at set forth in the specification and recited in the independent claims 1 and 42; and a system comprising: a network information transmitter selectively push transmitting the network information in a network information table, which storing network information from the network information receiver, without a request for the network information, wherein the network information comprises information about the communication network at set forth in the specification and recited in the independent claims 21 and 31.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance or Examiner Amendment."

CONTACT INFORMATION

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Bharat Barot** whose Telephone Number is **(571) 272-3979**. The examiner can normally be reached on Monday-Friday from 9:30 AM to 6:00 PM. Most facsimile-transmitted patent application related correspondence is required to be sent to the Central FAX Number **(571) 273-8300**.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, **Saleh Najjar**, can be reached at **(571) 272-4006**.
